

PRESIDENTS' DESK

Get ready for Summer!

Fun in the sun and in the water.
Don't forget the sunscreen.

Stay hydrated. Drink lots of water.

Get your walk on in the cool of the day.

I'm sweating like a sinner in church and it's only 8:00 o'clock in the morning - Sunday morning, that is - and yes I'm getting ready for church. I guess that is why I thought of that opening statement. Anyhoo, let's talk about the heat— here on earth.

The grand kids are coming and they can run us all day in the heat so let's gear up. There are three things Parker and I do while she is visiting: a day in the kitchen, a day in the art room and a day on the sewing machine. Actually it's never an entire day, but it is a span of time that keeps us in the house where it is cool. Now we know the outdoor stuff is coming so be sure to arm yourself with the suggestions on the left side of this page. Let's have fun in the sun and not the emergency room.

Some of you may have entered a quilt(s) in the East Cobb show and we look forward to hearing about that, and if you win the raffle quilt we will certainly want to know that. Also, I know that some of you went to Paducah and bought fabric so we will also look forward to seeing the quilts you will make and maybe some of you will be bringing your finished items from the classes we've had. Some of you will travel. At any rate, welcome to summer in whatever way makes you happy.

I hope you are enjoying your guild and as always feel free to give me feedback at anytime by emailing me at ronni@bellsouth.net.

Hey, I just thought of something - I could put that sweating to good use by working out!

Naaaah.....

Until next time.....

Ways and Means

Ways and Means will have the table set up at all meetings. Tickets are 6 for \$5.00 or \$1.00 each. This money helps to fund our Guild in many ways.

2019 Quilt Challenge

"Color My World"

This year's challenge is to use a triadic color scheme in your project. Choose 3 colors that are equally spaced on the color wheel. You may use tints or shades of these 3 colors. In order to complete your design, you may use any neutrals such as white, beige, gray or black.

Suggestions:

- 1) Find a color wheel to look at. Did you make one in Rachel's class? Do you have a quilt book that has a wheel? Do you have a tablet or computer where you can Google "Color Wheel"?
- 2) Look at a color wheel and find 3 colors that are equally spaced around the wheel such as: green, purple and orange. If you choose this triad of colors you can use any shades or tints of green, purple and orange in your quilt. Next you can add any neutrals to your quilt.
- 3) **For fun but not required:** Download this free or cheap APP on your phone or tablet, **Color Wheel-Basic color schemes** in the app, click on the icon "wheel" in the lower left to change the wheel from basic to tints or shades of colors. Next click on the 2nd icon from the left at the bottom. This icon will show you all of the triadic color choices.

Your fabric choices do not have to be solids. Try using this challenge as a stash buster!

RULES

Anything quilted and finished can be entered, such as tote bags, table runners, wall hangings, or quilts. The only size restriction is that the perimeter is 240 inches or less.

The quilts are due at the night meeting in September. Judging two categories Traditional and Artistic, prizes for the 1st 3 places in each categories and fun.
